

# UWTSD Apprenticeships

## Is Your Business Future Ready?

Develop and upskill your employees with UWTSD Industry led Higher and Degree Apprenticeships. We have a number of courses relevant to many industry sectors.

Our fully funded degree programmes start in September and January (digital) each year and are delivered on a day release basis over an extended, 42 week academic year.

A degree apprenticeship starts at Level 4 (HNC), however, relevant previous experience and/or qualifications will be taken into account to ensure you enter the programme at the right stage for you.
